Dear Sisters:

I would like to re-introduce myself to you as the newly re-appointed Immigration and Education Chair. First, let me thank our newly elected President, Terry Meyer, for appointing me to this position.

I have been a member of Division 15, Massapequa Park, Nassau County since 1987. My mother Alice, a longtime member, was my sponsor, and my father John was a National Life Member. I have served in several positions on the Division level. I was President from 1999-2000. I am currently serving as Financial Secretary. I have been on the County Board for 18 years. I am currently the Immediate Past President.

I am an original member of the Tara Pipes and Drums, which was formed almost 49 years ago. I have been involved with the Nassau County AOH Feis for many, many years. This year I am being celebrated as the Feis Honoree.

Almost seven years ago I joined the Celtic Degree Team.

I am a parishioner of St. Rose of Lima in Massapequa. I have worked at Ropes & Gray LLP for the last 42 years. I have been on the Zoning Board for the Village of Massapequa Park since 2005. I am currently the Zoning Board Chairperson.

I am looking forward to bringing you information about Irish immigration as well as news and happenings here in the U.S. Immigration is constantly in the news these days, and unfortunately, it's not always in a positive light. I will share as much as I can.

I look forward to working with the State Board and all of my Sisters of New York. Please feel free to contact me with any suggestions.

Yours in our motto,

Maureen Caffrey
