

Ladies Ancient Order of Hibernians, Inc.
New York State Board
Report of the Immediate Past President

June 29, 2021

Immediate Past President:
Jacqueline Gilroy Clute

Sisters,

As I sit here to write this report, I must confess that I am disappointed that circumstances did not allow for the things I would have liked to try to bolster our membership, but I am happy to report that we are growing again. Divisions are obligating new members and are actively recruiting new sisters. There are many opportunities to interest women in joining our ranks, here are a few ideas: placing ads in your Parish bulletins, attending events that allow community outreach, holding events in your halls that are open to prospective members, participating in service projects that may shine a positive light on our order. Be creative, be kind, be positive in our approach and we will add many new members to our Order.

In closing, it has truly been an honor serving the members of the NYS LAOH.

I can be reached at 518-395-9964 by phone or banbha1021@gmail.com by email.

Respectfully Submitted,

Jackie

Jacqueline Gilroy Clute
LAOH NYS Immediate Past President
