

*Quality*

# — LEADERSHIP —

- Listen to your team
- Show tolerance and understanding
- Praise in public, criticize in private

- Delegate
- Follow through on commitments
- Shift focus from maintaining power to mentoring the membership

- Holding onto to power stagnates the movement of anything
- Power does not equal Leadership
- Need to move from Power to Mentor

*Think to yourself...*

**ARE YOU LIVING OUR MOTTO OF FRIENDSHIP,  
UNITY AND CHRISTIAN CHARITY?**
